

# STRING NAMES AND NUMBERS

Chords are “strummed” or “picked” from different strings – it is important to know the names of strings to help you when learning fingerstyle, rhythm guitar or any other style of guitar playing.

## Rules for strumming chords:

**E, Em, E7 and G, G7 Chords** – Strum all 6 strings

**A, A7, Am and C, C7 chords** – Strum top 5 strings (don’t use Low E (6<sup>th</sup>))

**D, D7, Dm Chords** – Strum top 4 strings (don’t use Low E (6<sup>th</sup>) or A (5<sup>th</sup>) string)

**B7 Chord** - Strum top 5 strings (don’t use Low E (6<sup>th</sup>))
